

The Path Towards Policy

The RMFU Policy Committee recently released the *Redline Policy Manual* for member consideration for the 2022 RMFU Annual Convention. The RMFU Redline Policy Manual and other information can be found at <https://www.rmfu.org/what-we-do/legislation/rmfu-policy/>.

Do you see something that you would like to change? Members can now reflect upon the RMFU Redline Policy Manual and submit new or revised policy proposals. We ask that members use the [RMFU Policy Change Form](#) and submit policy language prior to the RMFU Convention. All proposals must be submitted to Dan Waldvogle no later than **Wednesday, November 9** for consideration. Email him at daniel.waldvogle@rmfu.org.

[After the November 9 deadline, members will need to propose policy language directly to delegates on the floor at convention.]

The RMFU Policy Committee will debate proposals and develop an addendum for delegate consideration on the afternoon of **Thursday, November 17** in Greeley. Members are welcome to present the rationale for previously submitted policy proposals during this meeting. They can also provide a brief written rationale to accompany their proposals.

To recap, as a member you have a number of options to bring forward a policy idea for consideration. You can work with your chapter, you can go through your policy committee member, you can email submissions to Dan, or you can propose your idea directly to RMFU delegates at our Annual Convention in Greeley November 18th and 19th.
